**Learn**

We Ask: How successfully are learners supported to develop successful learning dispositions, academic and social skills and achieve their highest potential?

**Improve**

We Ask: How successfully do planning and purposeful efforts support continuous improvement in daily practices, services and processes at the classroom, site and partnership level?

**Lead**

We Ask: How effectively is leadership shared and focussed at putting children and young people at the centre of all decisions to support their aspiration and needs within our site and our local partnership?

**Connect**

We Ask: How successfully have sites, parents, families, community partners and our local partnership worked together to enhance the learning experience and outcomes for learners?
